Date:- 19th July, 2007

P.C.

This is an application for condonation of 75 day's delay in filing first appeal. Heard Advocates for both sides. Advocate for the respondent opposes the application and states that the reasons mentioned in the application are not tenable. It appears that appellants are Deputy Collector and Executive Engineer. The application indicates that the delay was caused because of file was moving from department to department. In my view, the reasons given in the application, are acceptable and therefore, for the reasons which are mentioned in the application, the delay is condoned. Application stands disposed of. Office to number the first appeal and place the same for admission on 16th August, 2007.

R. S. MOHITE, J.
